

ATTENTION STORM WORK !!!!!

(1) 1993 Hy-Rail Volvo Rotary Dump Truck..

We have (1) 1993 Hy-Rail Volvo Rotary Dump Truck. This truck was a former fleet maintained Norfolk Southern and truck and is equipped with the upgraded L10 Cummings 300HP Engine and a Eaton Road Ranger 8 Speed Transmission. This truck also features (DMF) Diversified Metal Fabricators style bed, and (DMF) Roto 180 Controls (DMF) 16/30 Hy-Rail Gear which all is in excellent condition. Manual Rail Grabbers are on this truck, The tires are approx 90%.

This truck is very nice, no leaks , no issues... straight to work she goes. Strobe Lights, Apron, Rail Grabbers, Mud flaps, loaded with options. This truck is in great condition in every way mechanically and cosmetically ready to go, starts with ease, just a bump of the key...

Additional features are;

* Active PTO

* L10 Cummings 300 HP Engine

* Air Condition, Factory AM/FM Radio, Differential Lock, Air Horns, Tool Box Compartments
